

### The DeSoto Club Event Center

Built in 1972 on the DeSoto Golf Course, The DeSoto Club was the premier facility in Hot Springs Village for many years. Designed by E. Fay Jones, an apprentice of Frank Lloyd Wright, the building still maintains the original fixtures and architectural design unique to that era. After many years and many incarnations as various clubs and restaurants, the Hot Springs Village

Property Owners' Association recently added the DeSoto Club Event Center to its line up of world class rental facilities, marking the occasion with a grand opening celebration on January 17, 2012. Hundreds of visitors turned out to view the newly opened event center, and sponsors provided various examples of their products from food and wine tastings to room stagings to floral samples. The DeSoto Club Event Center is now taking reservations for weddings, conferences, proms, seminars, parties and more. Contact one of their Facility and Event Representatives to book your event today: Craig Annen, (501) 922-5050, Sherry Jones, (501) 922-4231 or Mary Moran, (501) 922-4231.
